**Central Valley**  
**2018**  
**Business Associations**

## Amplify your association's unique voice through the strength of BizFed Central Valley.

**B**izFed brings together associations and employers—large and small—to share information, expertise, connections, and research.

BizFed members use that knowledge to bring a united message to policy makers that is impossible to ignore.

Join this grassroots alliance, and help drive the agenda for the Central Valley's future in:

- transportation
- water
- agriculture
- manufacturing
- energy
- health care
- land use
- education
- and more!

**We are stronger together.**
